

AFTERCARE ADVICE

LINE RELAXING INJECTIONS

PLEASE FOLLOW YOUR AFTERCARE ADVICE FULLY, FOR YOUR HEALTH AND WELLBEING. AS WELL AS THE EFFECTIVENESS AND LONGEVITY OF YOUR RESULTS

- Avoid laying down for the first 4 hours after your treatment
- Avoid touching, or applying makeup to the treatment area for 6 hours after your treatment.
- Avoid consuming alcohol for 24 hours **prior to and after** your treatment.
- Avoid strenuous exercise for the first 48 hours.
- Avoid any blood thinning medication for 24 hours **prior to and after** your treatment.
- Avoid facial treatments for 10-14 days after your treatment
- Expect some minimal swelling and bruising in the treatment area. You may also experience a slight headache after this treatment

Results will begin to show between 3-10 days after your treatment.

Results will peak at 2 weeks after your treatment and then gradually wear off thereafter.

Your treatment will completely wear off by around 3-4 months.

A complimentary review of your results and top-up is included within your treatment if necessary. This must be taken 2 weeks after your treatment.
